18th Annual Eastern Carolina Unnatural Resources Fair Supplemental Information

Dear Students and Residents,

The Unnatural Resources Institute with the help of residents, volunteers and sponsors is celebrating recycling with the 18th Unnatural Resources Fair on January 29-31, 2010 with set up on January 28 from 3:00 pm - 8:00 pm.

We ask participant to:

1. Create projects with 80% or more reused/recycled materials in order to qualify.
2. Identify a person or persons responsible for bringing and picking up participants' projects from the Greenville Convention Center.
3. Please attach the bottom part of entry form to projects, a smaller version with ID Control number will be provided at "check-in". Submit only one entry per person/group for this fair. *Entry forms are due by January 22, 2010, like a RSVP.* This is so the Unnatural Resources Institute can calculate space for fair entries, due to limited number of tables. After the 22nd, entries will be accepted on a space available basis.
4. Bring entries to the convention center on the setup date, January 28th between 3:00 pm to 8:00 pm.
5. Create projects no bigger than a refrigerator due to space limitations. Call George Ponder at 252-355-1039 for possible exceptions. If entries require electricity, they must be battery operated.

More Fair Information:

1. Entries will be judged on Thought, Expression, Creativity, Presentation, and Usefulness/Purpose. Trophies and ribbons will be given in all categories and group combinations. Judging will be finished by 2:00 pm on February 7th.
