19th Annual Eastern Carolina Unnatural Resources Fair Supplemental Information

Dear Students and Residents,

The Unnatural Resources Institute with the help of residents, volunteers and sponsors is celebrating recycling with the 19th Unnatural Resources Fair on February 4-6, 2011 with set up on February 3rd from 3:00 pm - 7:00 pm.

We ask participant to:

1. Create projects with 80% reused/recycled materials in order to qualify.
2. Identify a person or persons responsible for bringing and picking up participants' projects from the Greenville Convention Center.
3. Please attach the bottom part of entry form to projects. Submit only one entry per person/group per category for this fair. *Entry forms are due by January 26, 2011.* This is so the Unnatural Resources Institute can calculate space for fair entries, due to limited number of tables. After the 26nd, entries will be accepted on a space available basis.
4. Bring entries to the convention center by the deadline, February 3rd between 3:00 pm to 7:00 pm.
5. If project is larger than a refrigerator contact Jacqueline Ponder at 252-355-1039 for consideration. This requirement is due to space limitations. If entries require electricity, they should be battery operated to demonstrate.

More Fair Information:

1. Entries will be judged on Thought, Expression, Creativity, Presentation, and Usefulness/Purpose. Trophies and ribbons will be given in all categories and group combinations. Judging will be finished by 2:00 pm on February 5th.
2. All entries must be picked up from 4:00 pm to 6:00 pm on Sunday, February 6th.
