## 26<sup>th</sup> Annual Eastern Carolina Unnatural Resources Fair Supplemental Information

Dear Students and Residents,

The Unnatural Resources Institute with the help of residents, volunteers and sponsors is celebrating recycling with the 26<sup>th</sup> Unnatural Resources Fair on February 2-4, 2018 with setup on February 1<sup>st</sup> from 2:00 pm - 7:00 pm.

We ask participant to:

1. Create projects with 80% reused/recycled materials in order to qualify.
2. Identify a person or persons responsible for bringing and picking up participants' projects from the Greenville Convention Center.
3. Submit only one entry per person/group per category for this fair. *Entry forms are due by January 26, 2018.* This is so the Unnatural Resources Institute can calculate space for fair entries, due to limited number of tables. After the 26<sup>th</sup>, entries will be accepted on space available basis. Please call 252-355-1039 if you have any questions.
4. Bring entries to the convention center on the setup date, February 1<sup>st</sup> between 2:00 pm to 7:00 pm.
5. If project is larger than a refrigerator contact Jacqueline Ponder at 252-355-1039 for consideration. This requirement is due to space limitations. If entries require electricity and if possible, they should be battery operated to demonstrate.

More Fair Information:

1. Entries will be judged on Thought, Expression, Creativity, Presentation, and Usefulness/Purpose. Trophies and ribbons will be given in all categories and group combinations. Judging will be finished by 2:00 pm on February 3<sup>rd</sup>. See Website [www.unnaturalresources.org](http://www.unnaturalresources.org) for description of categories.
